

You can access pages assigned to global and site categories in one place.

To view pages assigned to global and site categories

1. Open the **Categories** application.
2. Click on the category for which you want to view assigned pages.

3. Switch to the **Pages** tab. The system lists the pages assigned to the category. You can **Edit** () any of the pages or **Navigate to a page** ()

Following pages are assigned to the category:	
Actions	Name ▲
 	 How I Got Lost Scuba Diving At The Cape of Coin
 	 Mountain biking in Santa Cruz, part 1/2
 	 Mountain biking in Santa Cruz, part 2/2
