You can view pages that you have assigned to your personal categories in the **My profile** application.

To view which pages are assigned to your personal category

1. Open the **My profile** application.
2. Switch to the **Categories** tab.
3. Click on the category for which you want to view assigned pages.
4. Switch to the **Pages** tab. The system lists the pages assigned to the category.
5. (Optional) You can **Edit** any of the pages or **Navigate to a page.**
